Re: Second Amendment to Year 2000 Amended and Restated CC&Rs

Dear Members of the Board:

Enclosed is a conformed copy of the Second Amendment to Year 2000 Amended and Restated Declaration of Covenants, Conditions and Restrictions recorded on April 29, 2022. A copy of this Second Amendment should now be mailed to all members of the Association.

Pursuant to Government Code Section 12956.1, associations are now required to also provide a copy of the Restrictive Covenant Modification form and procedural information about the form when distributing recorded governing documents to owners. Accordingly, I also include a page from the Riverside County Recorder's website regarding "Removal of Unlawful Discriminatory Covenants From Property Documents" and the Riverside County Recorder's related Restrictive Covenant Modification Form. All of these should be distributed to the members along with the Amendment itself.

An HOA also has to make these disclosures beginning January 1, 2022, in regard to other distributions of its CC&Rs, including to escrows.

- c. Rules. The Board may, from time to time, propose, enact and amend Rules regulating the rental or leasing*

within the Association, including long-term and short-term rentals.

Under current state law, including AB1466 (https://leginfo.legislature.ca.gov/faces/billNavClient.xhtml?bill_id=202120220AB1466) effective January 1, 2022, homeowners can request to modify property documents that contain unlawful discriminatory covenants. Government Code Section 12956.2 (http://leginfo.legislature.ca.gov/faces/codes_displaySection.xhtml?lawCode=GOV§ionNum=12956.2) allows a person who holds an ownership interest of record in property that the person believes is the subject of an unlawfully restrictive covenant to record a Restrictive Covenant Modification document to have the illegal language stricken. Unlawful restrictions include those restrictions based on race, color, religion, sex, gender, gender identity, gender expression, sexual orientation, familial status, marital status, disability, veteran or military status, national origin, source of income as defined in Government Code Section 12955 (https://leginfo.legislature.ca.gov/faces/codes_displaySection.xhtml?lawCode=GOV§ionNum=12955) subdivision (p), ancestry, or genetic information.

To Record a Restrictive Covenant Modification, you must:

- Complete a Restrictive Covenant Modification Form (https://www.rivcoacr.org/media/Forms/Recorder/Recorder_Sample_Documents/Restrictive%20Covenant%20Modification%20-%20ACR608.pdf); this must be signed in front of a notary public.
- Attach a copy of the original document containing the unlawful restrictive language with the unlawful language stricken.
- Submit the completed document to the County Recorder. There is no fee to record this document in Riverside County.

Upon receipt, the Recorder's office will submit the document to County Counsel who will determine whether the original document contains any unlawful restrictions, as defined in Government Code Section 12956.2 subdivision (b). Only those determined to be in violation of the law will be recorded and those that are not, will be returned to the submitter unrecorded.

Please note that the County Recorder is not liable for modification not authorized by law. This is the sole responsibility of the holder of ownership interest who caused the modified recordation per Government Code Section 12956.2 subdivision (f).

Pursuant to the requirements of AB1466, and no later than July 1, 2022, the Assessor-County Clerk-Recorder will post an implementation plan outlining our strategy to identify records with discriminatory restrictions.
